\* 2024 New Board Member    † Deceased

DEAR FRIENDS,

In 2024, rooted in our faith, Christian Health continued to branch out as the hands of Christ. We expanded our services throughout the community, extending the reach of our compassion and ministry and putting our faith into action by helping others in as many ways as we are able.

The year began with the opening of Haven at Ramapo Ridge, a groundbreaking program providing inpatient trauma-informed care in a safe and secure wing exclusively for women. This is the first of its kind in Bergen County and the only inpatient women's program in New Jersey, meeting the critical need for specialized, compassionate care in a healing, therapeutic environment.

The year also saw us branching out to connect with other like-minded organizations. Holland Christian Home, a faith-driven organization and our neighbor for over 100 years, officially joined the Christian Health senior living continuum and is now rebranded as Windmere. With our shared values and history, we look forward to enhancing services for Windmere's current residents and welcoming many more into our warm and welcoming community. Additionally, NewBridge Services, a nonprofit provider of counseling services, housing, and educational programs, became part of the Christian Health family, allowing us to extend our healing services to even more individuals in need.

In 2024, we celebrated the 25th year of the Christian Health Foundation. Through its advocacy, the Foundation has been instrumental in branching out and spreading awareness of our services. It has also played a critical role in raising the funds that make our work possible. For the past 25 years, we have been blessed by its innovation and incredible accomplishments, including raising \$25 million in support of our charitable mission.

As Christian Health continues to grow, we are deeply grateful to every team member, volunteer, sponsor, and supporter who has helped us flourish. Each intricate branch of our organization serves to bear the fruits of our vision to be the hands of Christ by delivering quality services and care, meeting community needs innovatively, and transforming, inspiring, and nurturing those we serve.

2024 Impact Report

# Where it all began

Christian Health has been the beneficiary of philanthropy throughout its history. In 1911, fourteen deacons from local churches in the Reformed tradition gathered support to establish New Jersey’s first private psychiatric hospital. They raised funds through weekly church offerings, and community members donated their time and skills to convert a small farmhouse into a 17-bed psychiatric hospital.

In the years that followed, many individuals, businesses, trusts, foundations, and churches supported our organization in various ways as we grew and flourished.

Then, in 1999, a number of dedicated individuals established the Christian Health Foundation to ensure good stewardship of gifts and a legacy of support for our mission and vision for generations to come, significantly helping Christian Health become the pillar of the community that we are today.

It’s humbling to see how deep our roots extend in this community, how we can flourish by God’s grace, and how the generosity of our friends and donors enables Christian Health to continue to serve as the hands of Christ for our neighbors in need.

## Supported the Mission to Expand

Christian Health across several campuses in Bergen and Passaic Counties and beyond

No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in me. I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing.

JOHN 15:4B-5 NIV

# Where we are today

## In 2024, the Christian Health Foundation proudly celebrated 25 years of philanthropy.

In celebration of Christian Health Foundation’s 25th anniversary, we received a \$100,000 lead challenge-grant gift from an anonymous donor to launch a campaign to reimagine and redesign Heritage Manor East. This donor promised to provide a matching \$100,000 gift if the Foundation raised \$100,000 or more by the end of 2024. We are so grateful for the outpouring of generosity from our donors who enabled us to meet and exceed this \$100,000 challenge grant opportunity, which will enable us to begin renovation plans in the fall of 2025.

The Christian Health Foundation’s Annual Fund supports several capital campaigns, which have enabled us to renovate and expand a variety of our programs to better serve our community’s needs. These include:

- Longview Assisted Living and Courtyard at Longview
- Heritage Manor East and West
- Bolger Short-Term Rehab
- Southgate Special Care
- Ramapo Ridge Behavioral Health

Philanthropy has and continues to support our Good Samaritan Fund at LiveWell Counseling, as well. This ensures that we never have to turn someone away from receiving the mental health care they need because of an inability to pay. In addition, the Foundation has raised funds to support innovative technology and enhanced programming, such as Parkinson’s therapy, nursing scholarships, dementia care, and music programming.

We are so humbled by the philanthropy that has always been at the core of our history and an integral part of our future growth and sustainability. We proudly celebrate these past 25 years with you, our donors, who have contributed toward our growth and expansion, which is an extraordinary blessing. You are part of this legacy as we move forward to the future of Christian Health. The work our Foundation does is all made possible by our neighbors and supporters – by you.

## Looking toward the future

Christian Health is committed to our strategic vision to continue to meet the community’s needs. As we look back on our journey, we are proud of the many achievements we have accomplished together. From funding state-of-the-art capital projects and developing residential communities to providing healing mental health care and rehabilitation, we have significantly affected the lives of so many. With your help, we can continue to optimize our services, expand our reach, and create innovative programs to serve, heal, and help our community.

Through the generosity of our donors and partners, the Christian Health Foundation has achieved the following:

Raised over  
**\$50 Million**  
to benefit those we serve

Had over

Christian Health was established in 1911 to provide compassionate mental health services for everyone, regardless of their ability to pay.

Today, we continue this commitment and review client's unique circumstances to ensure they receive the care they need. Collectively in 2024, we provided the following services to our community.

Christian Health absorbed \$7,854,000 due to the unpaid cost of Medicaid, public programs, and other indigent-care programs.

\$1,684,000 of charity care was provided for residents, patients, and clients.

For the broader community, Christian Health participated in health fairs, presentations, and workshops; invited various organizations to utilize Christian Health meeting space; and joined efforts to improve neighborhoods' overall environments. These activities equated to \$80,000.

# Satisfaction Surveys

## How We Rate Among Those We Serve

A top priority for Christian Health is fulfilling the needs of our residents, patients, clients, and their families. Information collected through satisfaction surveys is an invaluable tool utilized to determine those needs – and if we are meeting or exceeding them. Survey data are reviewed and analyzed, and the feasibility of suggested modifications as guidance for implementing new practices and procedures is evaluated.

Surveys for Heritage Manor, Southgate Special Care, Longview, Ramapo Ridge Behavioral Health, and The Vista were distributed and analyzed by national companies that conduct surveys in similar health care organizations. Satisfaction surveys for Evergreen Court, Hillcrest, Siena Village of Wayne, Summer Hill of Wayne, Windmere, Home Care Options, LiveWell Counseling, Gracepoint, and Haven at Ramapo Ridge are conducted internally and computed as a score between 0 and 100.
