Celebrating Our Volunteers at Siena Village

April is National Volunteer Appreciation Month, a time to recognize and celebrate the dedicated individuals who generously give their time and energy to make a difference in our community. At Siena Village, we are grateful for our many volunteers, who help make our community a better place. Residents assist with internal mail deliveries, including our monthly newsletter, and run groups such as Book Club, Story Time, Sharing Jesus, and Silver Circle knitting group. We are so grateful for our incredible Resident Committee, which provides so much for our residents, including day trips, weekend events, and weekly bingo.

To show our appreciation, all volunteers will receive a **personal** invitation to a special recognition event this month in their honor. This is our way of thanking those who give their time to enrich the lives of others.

Are you interested in giving back to the Siena Village community? There are plenty of opportunities to lend a helping hand, including:

- Assisting with community events and activities
- Leading or supporting group activities
- Contributing to donation drives and outreach programs
- Joining the Resident Committee to help plan community activities

Whether you have a few hours to spare or want to take on a regular role, there's a way for everyone to get involved! If you're interested in volunteering, please let Jodi or Sari know!
