Extermination Update

For the month of September, the exterminator will be inspecting the following apartments:

- Monday, September 21: Apartments 2301 to 2351

A Maintenance team member will accompany the exterminator. Residents do not need to be present for the exterminator. Apartments will **not** be skipped in order to ensure each unit is inspected on a quarterly basis. If you experience any pest issue between scheduled inspections, please submit a maintenance work order. Pest control services are scheduled based on the nature and severity of the issue. In an effort to protect the health and safety of all residents, the use of pesticides is kept to a minimum whenever possible. In many cases, cleaning or removing the source of the issue is sufficient to resolve the problem. The presence of a single bug does not necessarily indicate infestation.

Welcome to Siena Village

If you see our new residents around the building, be sure to give them a warm Siena Village welcome!

- Josephine Scielzo: Apartment 2140

Lockouts, Loxboxes, and Updated Pricing

We understand that getting locked out of your apartment can be frustrating and inconvenient. However, unlocking the door for you is considered a courtesy service and not an emergency. If you find yourself locked out, please call (201) 897-5400 to request a work order. Our staff will respond as soon as possible, but please be aware that response times may vary depending on current workload and priorities.

We strongly encourage residents to take simple steps to avoid lockouts in the first place. One of the best solutions is installing a personal lockbox.

Lockboxes Available for Purchase

Lockboxes are available through Siena Village for \$46.50. These secure boxes are installed by our maintenance staff outside your apartment and allow you to set a personal 4-digit code. You can share this code with trusted friends or family members, giving you peace of mind and easy access if you ever forget your keys.

Benefits of a Lockbox:

- Immediate access to your apartment without waiting for staff
- Ability to share access with trusted individuals
- Simple and secure solution to prevent future lockouts

How to Purchase:

- Place a check for **\$46.50**, payable to CHCC of Wayne, LLC , in the rent box
- Once received, the office will notify Maintenance to install your lockbox

If a lockbox is already installed outside your apartment when you move in, please contact Maintenance for instructions on how to set or reset your code.

Taking proactive steps now can save you time, stress, and inconvenience in the future. Thank you for your cooperation and understanding!
