

Wills, Estates & Trusts: Planning for Peace of Mind

Join estate planning and elder law attorney **Robert Murray of The Murray Firm, LLC.**, for an informative presentation on the essentials of wills, trusts, and estate planning.

Learn how thoughtful planning can help protect your assets, ensure your wishes are honored, and provide clarity and security for your loved ones.

In This Session, You'll Learn:

- The purpose and importance of having a will
- When a trust may be the right option
- How proper estate planning protects your assets
- The role of powers of attorney and healthcare directives
- Common estate planning mistakes to avoid
- Steps to help ensure your wishes are clearly documented

While You're Here:

- Take a tour of Windmere, our vibrant senior living community offering a unique blend of independent and assisted living
- Enjoy light refreshments prepared by Windmere's own Culinary Institute-trained chef
