**Wyckoff, NJ ...** Christian Health Care Center (CHCC) in Wyckoff and Wayne is pleased to announce that it has acquired Summer Hill Apartments (Summer Hill) of Wayne.

Summer Hill is a 164-unit independent housing complex located in the Township of Wayne that opened in 1998, and includes 140 one-bedroom and 24 two-bedroom affordable senior apartments.

Summer Hill's 164 units are within two separate, adjacent buildings. Common areas include a community room, adjacent commercial kitchen, office space, meeting space, physician examination/consultation rooms, and several activity rooms.

“We welcome Summer Hill as a Christian Health Care Center community, and look forward to supporting the residents as it continues to be their home,” says Douglas A. Struyk, CPA, LNHA, CHCC President and CEO. “Summer Hill is a wonderful residence that offers a tremendous quality of life. This addition to our senior-life residences will greatly expand CHCC’s ability to offer more affordable-living options.”
