## **Christian Health Care Center Employee Honored as Facility Manager of the Year**

Hank Schuurman, CHC, CHSP, CHFM, SASHE, Facilities Management Vice President at Christian Health Care Center (CHCC) in Wyckoff and a resident of Hawthorne, was recently honored by the Healthcare Facilities Management Society of New Jersey (HFMSNJ) Inc. with the prestigious 2016 Facility Manager of the Year Award. Founded in 1949, HFMSNJ is the professional organization of health-care facility managers of New Jersey.

“Ever since becoming a member of the chapter in 2003, Hank has taken an active front-row role with the organization,” said Rajendra N. Shah, PE, MBA, CHC, BSME, CHFM, FASHE, HFMSNJ President. “Hank is credited for several accomplishments that he volunteered to lead and fulfilled. He successfully led the organization as President in 2013 and 2014. With his core character of a teacher and a leader, Hank has presented leadership educational topics, encouraged members to volunteer for different tasks, and mentored them for their professional-career development. He reestablished relations with the New Jersey Hospital Association leading election and nomination functions in 2016, developed an education roster to avoid duplication of topics, and started a charity program for pediatric cancer units.”

“Hank continues to serve CHCC and HFMSNJ with an absolute commitment to achieving quality results,” said Michael Doss, CHCC Senior Vice President of Facilities Management and Business Development. “Hank’s technical proficiency and health-care experience, coupled with a faith-based value system, are the framework for his successes and thus, the basis for accolades by health-care professionals in the New Jersey area. I appreciate the honor of sharing Hank’s award within our CHCC community and celebrating this wonderful acknowledgment.”

In addition to his role as CHCC Facilities Management Vice President, Mr. Schuurman also serves as President of the Cedar Hill Christian Reformed Church Council in Wyckoff and a trustee of HFMSNJ.
