

Students at the Child Day Care Center at Christian Health Care Center (CHCC) in Wyckoff recently had a special visit from the Wyckoff volunteer Fire Department during Fire Prevention Week. Andrew Forsyth and Kevin Behnke, Wyckoff volunteer firemen, brought one of the rigs to CHCC and let the children sit in the truck and talked to them about fire prevention. The Child Day Care Center is located in the lower level of The Longview Assisted Living Residence and is operated by the Wyckoff Family YMCA. Residents at Longview enjoy regular intergenerational activities with the children.
