## **Christian Health Care Center Honors Veterans**

Christian Health Care Center (CHCC) in Wyckoff recently honored many veterans both living and working on campus at a Remembrance Service, and approximately 100 employees and family members gathered to pay tribute to the many men and women who served in the United States military.

Douglas A. Struyk, CPA, LNHA, CHCC President and CEO, welcomed guests and read names of 60 current residents and employees who served time in the military.

“As we celebrate and honor the many freedoms that define America and make it the land that we love, we are blessed at CHCC to provide care for so many veterans that gave of themselves to protect those freedoms,” said Mr. Struyk. “We thank God for their courage and bravery, and are humbled by their stories of service and devotion to our flag and country.”

Rev. Phyllis Palsma, MDiv, Chaplain and Pastoral Resource Coordinator, delivered the invocation. A patriotic ceremony was led by Corporal Anthony Vincent DeMauro, United States Marine Corp. He spoke about the time he served and said that he

was honored to be at CHCC. He also helped to hand out certificates to all the veterans in attendance as Mr. Struyk read their names.

The introduction of Veterans Day dates back to November 11, 1918, after fighting had ceased in World War I. President Wilson recognized the day in 1919, and later on June 1, 1954, November 11 became a day to honor American veterans of all wars.

CHCC is proud to honor all veterans residing at the Center, as well as the employees who work here.
