## GROWTH for GENERATIONS

Your contribution will directly support Christian Health's 2021 Annual Fund and our Southgate Capital Campaign.

This year, Christian Health celebrates 110 years of service to the community. We are blessed and privileged to have provided compassionate care spanning multiple generations. Our new GROWTH for GENERATIONS campaign honors all those we have served – past, present, and future. The Bolger Foundation's Challenge Grant is specifically earmarked for Christian Health's GROWTH for GENERATIONS - special campaign for our Southgate capital project. Your support and sponsorship helps Christian Health Foundation meet its goal of raising \$2.2 million to secure The Bolger Foundation's major challenge grant of \$2 million.

Christian Health is looking forward to a great day of golf. As COVID-19 restrictions continue to evolve, Christian Health will implement appropriate safety precautions and update all participants accordingly.
